LESSON PLAN Ref:		Course Ref:	
------------------	--	-------------	--

Subject / Course:	Commitment to recycling more		
Topic:	Pledge		
Lesson Title:	Pledge Station		
Level:	All levels	Lesson Duration:	15-20 mins

Lesson Objectives:

People will have the opportunity to make and write their own to pledge to themselves to recycle more to help the environment. If people do not want to write their own, an example pledge and copies of it will be provided. We will also have one big pledge that everyone can sign as a way to show the success of the event.

Summary of Tasks / Actions:

- Write and sign your own pledge to recycle more
- Or- take and sign one of the example pledge copies
- An example of a pledge may be: "Reduce my waste by using reusable water bottles, coffee mugs, and food containers. Recycle paper, plastic, and metal in designated recycling bins. Use energy-efficient appliances. Turn off lights and electronics when not in use." and then a place for them to sign their name.
- Reflective question- ask them what made you want to make this commitment or how will you follow through on your commitment? How will you share this with others?

Materials / Equipment:

- Paper
- Markers
- Example one
- Copies of example pledge for people to take home if they don't want to write their own

References: Takeaways

It is important to prioritize recycling and make better earth sustainable purchases in your everyday life and writing a pledge will help you to stay on track.

Take Home Tasks: Stick to your pledge!!
